

Remarks

Claims 1, 3-39, 92-95, and 105-106 are pending in the application. Claim 2 was canceled in a previous amendment A. Claims 40-91, and 96-104 have been canceled in this amendment. Claims 20, 21, 23, 24, 28, 31, 39, 105, and 106 have been amended as provided in amendment C.

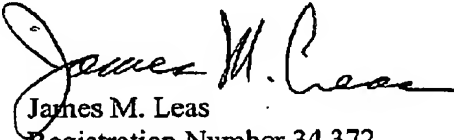

Minor correction has also been made in claims 21, 23, 32, and 106 to replace the word "or" to provide that one or more from the group can be present consistent with the description in the specification. No new matter has been added by virtue of this amendment. Reconsideration of the application as amended is requested.

Allowance of the Claims

In the advisory action, the Examiner states that applicant's reply has overcome the 102 rejection of claims 1, 3-39 and that these amended claims would be allowable if submitted in a separate timely filed amendment canceling the non-allowable claims. This amendment cancels the non-allowable claims. Applicant believes that claims 92-95 and 105-106 that also depend on claim 1 should also be allowable. Therefore applicant has retained these claims in the case as well. Thus, all the remaining claims in the case should be allowable.

It is believed that all the claims are in condition for allowance. Therefore, applicant respectfully requests favorable reconsideration. If there are any questions please call applicant's attorney at 802 864-1575.

Respectfully submitted,
For: Townsend, et al.
